MASHIKO COFFEE

益子町は、約 170 年の歴史を持つ陶芸の里として知られ、民藝運動を率いた陶芸家 濱田庄司 によって、その美意識が世界へと広められた地です。益子珈琲は、この町に息づく手仕事の文化とものづくりの精神に惹かれ、2021 年に生まれました。ブラジル直営農園の背景を活かし、豆の個性を丁寧に焙煎で引き出しています。

Mashiko, Tochigi, is one of Japan's best-known pottery towns, with over 170 years of ceramic heritage, shaped by the legacy of potter Shoji Hamada, a leading figure in Japan's folk craft movement. Founded in 2021, Mashiko Coffee is a new local coffee house inspired by Mashiko's enduring spirit of craftsmanship. Drawing on its direct coffee farm in Brazil, each bean is carefully roasted to reveal its natural character.
